

Planktober

1-31 OCTOBER

Bringing Back
Belonging

Raising awareness and funds for our social enterprise cafe and community space project - "THE LIVING ROOM", Five Dock because.....

- *there is a serious lack of inclusive employment opportunities in local communities*
- *offering opportunities in our community for people to come together, connect and share stories, and ask for support on things that matter most to them is what community is about*
- *we are passionate about fostering a connected and innovative ecosystem where everybody belongs*
